WELCOME!

The Sublette County Ski and Snowboard Association (SCSSA) is a 501(c)3 non-profit organization. The Club's goal is to make available, to Sublette County's youth, affordable racing instruction in the fundamentals of the lifetime sports of skiing and snowboarding. Each season, the Club has approximately 80 youth participants from throughout Sublette County. We have a board of directors, an advisory board, and both paid and volunteer coaches. While many of our skiers race for high school teams, the SCSSA is not a school-sponsored activity, but a community organization. The organization is currently in its tenth year.

We offer several different programs: **Home Team (ski & snowboard)**, **Middle School Team (ski & snowboard)**, **Race Team (ski)**, and **High School (ski)**. All teams practice and race in Pinedale, but the Race Team's schedule does include some optional travel for practices and races. For the 2010/11 season, there will be approximately 8 practices at White Pine with the Home and Middle School Teams participating in 2 races and the Race Team participating in 7 races.

Sign-up for the 2010/11 season begins on Friday, November 12th at the drop-off for the Ski & Gear Swap at the old Pinedale Elementary School cafeteria (5:00 pm to 7:00 pm) and continues into the season. ***All skiers and snowboarders should be registered by December 10th.***

The **Race Ski Team** practices at White Pine on Saturdays from 9:00 am to 3:00 pm. Practice for the Race Team will start on Saturday, December 11th. The Race Team will also have additional mid-week and Sunday practices to be scheduled during the season. The **Home and Middle School Ski & Snowboard Teams** practice at White Pine on Saturdays from noon to 3:00 pm. Practice for these teams will start on Saturday, January 8th.

Tuition for the program directly benefits the racers and covers costs such as t-shirts, awards, snacks, and club equipment. Discounts are given for siblings and a variety of scholarships are available. For **scholarship information**, please contact Dari Quirk: 307-231-5978.

We are always in need of **volunteer ski and snowboard coaches** – please contact us if you would like to be a volunteer coach for the upcoming season. We run weekly clinics for our coaches, and volunteer coaches receive complimentary lift tickets. For coaching information, please contact Dari Quirk: 307-231-5978.

On the back of this letter, please find our events calendar for the 2010/11 season. For more club information and to print out registration & waiver forms, please visit our website: **www.sublettecountysnowsports.org**. Please note that all athletes participating in the program must be able to ride the Little Spirit chairlift and ski or snowboard down the Little Spirit run at White Pine by themselves. For questions regarding registration, please contact Cassy Johnston: 307-231-1176.

We hope that you will join us for the upcoming season!
