## 2010/11 Scholarship Program & Application

The SCSSA scholarship program enables athletes to participate in the program that otherwise would not be able to due to monetary constraints. The scholarship program is designed to assist athletes in obtaining equipment and a season pass, and, if qualifications are met, athletes can receive a full scholarship to participate in the program. Scholarship applications will be reviewed by the scholarship committee and will be judged primarily on how well the athlete presents his/her desire to participate in the program. Each athlete requesting a scholarship must submit a letter of request. Scholarship applications will be kept confidential. The application deadline is January 1, 2011.

### Program Cost (approximate): \$560 and up

Registration Fee - \$100 (1 athlete)/\$150 (per family); Equipment Lease - \$150 per athlete, Helmet - \$25 per athlete, and White Pine Season Pass - \$285 (12 and under)/\$385 (13 and older) or Daily Lift Ticket - \$40

### Athletes receiving scholarships:

The SCSSA requests that any athlete that receives a scholarship participates in 75% of the scheduled practices, in the Sunny Korfanta fun race (Saturday, February 26, 2011), and in the Caroline Classic (Saturday, March 12, 2011). Additionally, parents of athletes receiving scholarships are asked to volunteer in some capacity for the club - many volunteer opportunities are available, both on and off the snow. Adequate winter clothing, including goggles and gloves, is the responsibility of the athlete.
